

Volunteering Title: Trustees

About Role: Ageing Well in Lewisham (a project of Lewisham Churches Care) aims to help older people in Lewisham lead fuller and happier lives, by offering programming designed to promote mental and physical health, stimulate creativity, and reduce social isolation.

Key Activities:

We are currently recruiting Trustees to join the management team to help us deliver our objectives efficiently and ensure the strength and robustness of the organisation.

Person Specification: Charity experience preferred but not necessary. Especially welcome are specific skills in fundraising, charity management, working with older people, and/or networking in the community.
