

From Saturday 15th August AFRIL are beginning a door to door Helping Hands food bank delivery service to a small number of families locally based in Lewisham and neighbouring boroughs. This will be coordinated from St Peter's Church Hall, Lee SE12 8HQ with food bag packing being arranged and led by the church team and COVID safe social distancing rules applying.

They are specifically looking for a small team of volunteer cyclists/ drivers. They have devised routes for these deliveries so each driver delivers to a specific area and can pay travel expenses.

Contact info@afril.org.uk to register your interest.
